GROONER GRUNER VELTLINER - 2010

100% Gruner Veltliner from Austria

TASTING NOTES:

Clear greenish hue with aromas and flavors of crisp, green apple, citrus and minerality. Racy acidity with tartness on the mid-palate and finish.

SCORE & RECOMMENDATION:

88 PTS

Straight-forward GV with clean, dry, yet mouth-watering appeal. Has good weight to it and retails for \$13 a bottle. A good, affordable intro to the varietal if you've never tried it before.
